## Package Description

### HONGKONG

Hong Kong was established as a colony of the British Empire after the Qing Empire ceded Hong Kong Island in 1841-1842. The colony expanded to the Kowloon Peninsula in 1860 and was further extended when Britain obtained a 99-year lease of the New Territories in 1898. Hong Kong was shortly occupied by Japan from 1941 to 1945 during World War II. The whole territory was transferred from Britain to China in 1997. Hong Kong maintains separate governing and economic systems from that of mainland China under the principle of "one country, two systems".
